

## Preparing for

Attend orientation with your child to help them become comfortable with their new surroundings before the first day.

Children attending our 3 and 4 year old classes should be fully potty trained. 2 year old children are not required to be potty trained; however, parents will specify whether they would like a teacher to change their child's diaper/pull up or if they would rather come in to do this themselves.

Parent/teacher conferences will be set up in March and April and are available at any time upon request. Please feel free to contact your child's teacher or the preschool director at any time with questions or concerns.

Viewing windows are installed in our classrooms allowing and encouraging parents to observe classes at any time.

A calendar will be sent home at the beginning of each month outlining themes, class activities, important dates and events. A weekly newsletter will be emailed from your child's homeroom teacher each Friday describing the highlights of the week, optional enrichment activities and instructions for the following week.
